## Great News!!!!

The Church Parish Council has voted to accept our "Enrollment Incentive Program" and has agreed to immediately put this incentive initiative in place.

Here is how it works.... If any enrolled student's family gets a new full time student to enroll from now until 12/31/16, the family who referred the new student will have \$1000.00 taken off their student's tuition for the remainder of this school year. In addition, the newly enrolled student's family will also receive a \$1000.00 off their tuition during the 2016-2017 school year. In addition, any new full time students enrolling from 1/1/17 through 3/31/17, who have been referred by parents of already enrolled students, will experience a \$500.00 tuition reduction. The referring family will also experience a \$500.00 reduction in their tuition for the remaining months of the current school year. If the results of this "Enrollment Incentive Program" are successful, this will most likely be continued the following school year.

I believe that our school has started off exceedingly well. We have worked hard to "Brand" HAA on the outside of the Academy. Look for more improvements in our outside space.

Our "Afternoon Enrichment Programs" are being well received by students and families. The following are highlights of some of these programs:

- A. Stem to Science – a collaboration with Merrimack College
- B. Kid Strong – a combination of gymnastics, yoga, stretching for fitness and cardiovascular workouts
- C. The Cambodian Experience – a partnership with Enterprise Bank and the Washington Savings Bank – coming soon!
- D. Math through the eyes of robotics and Computers – coming soon

We are also continuing to work on improving the safety measures that are in place in the school. And, as always we will continue to expand our partnerships within our city and beyond.

In conclusion, our best ambassadors are our parents and students. With so many new programs being offered at the Academy, along with the excellent teaching that is provided by our hardworking staff, we are asking families to spread the good words about the hidden jewel that we have at HAA.
